

One Source. Complete Solutions.

Ingram Micro's Data Capture/POS Division enables profitable point-of-sale (POS) and auto-ID businesses for our channel partners. With the largest dedicated field-sales organization in the market, our partners have easy access to unmatched product breadth, precise logistics support and value-add services. Resellers, whether established data capture/POS VARs or those expanding into this market, can leverage the division's support to accelerate growth and extend relationships with their clients.

We deliver a comprehensive product line from the industry's top manufacturers, including Motorola, PowerDsine, Socket Mobile, Wavelink and Zebra. Customers receive expert support through regional sales and service offices as well as from our state-of-the-art product distribution centers across the United States and Canada.

Our customers gain ready access to Ingram Micro's expansive line card, featuring best-of-breed, complementary IT products. From computers, to wireless networks, to security, Ingram Micro's customers find a truly complete solution to enhance their AIDC, POS and mobile applications, establishing them as trusted advisors to their clients, and opening new business opportunities.

Data Capture/POS

Healthcare Solutions

WHY SELL DATA CAPTURE/POS SOLUTIONS INTO THE HEALTHCARE MARKET?

ADMISSIONS	PATIENT CARE	PHARMACY	LAB
Bar Code Printer	Access Point	Digital Signage	Access Point
Access Point	Standard Wireless Collection/Bar Code Printer	Access Point	Bar Code Printer
Network Users	Network Users	Bar Code Printer	Network Users
Digital Surveillance	Cart on Wheels	POS Terminal	
Digital Signage		Digital Surveillance	

The accurate identification of patients, medications, samples, treatments, lab results and records is critical to patient care. Hundreds of hospitals, laboratories and clinics already rely on the latest bar code technology to ensure that all activities begin and end with high-quality, accurate data, and thousands more want to enhance their systems to gain the same benefits.

Ingram Micro offers everything you need to deliver complete data capture solutions into the healthcare environment. From back-office systems to the point of care, we provide unmatched product breadth, value-add services and precise logistics to accelerate your growth into this field.

Whether you're already providing data capture solutions into healthcare, or just getting started, we have the expertise, products and services to help you grow your business and expand client relationships.

With additional complementary technologies such as digital signage, IP surveillance, managed services and VoIP, we really are your one-stop shop.
